

# IMPORTANT INFORMATION

**VENUE:** Citywest Convention Centre  
**EVENT:** Love Your Home Dublin 2019

## SITE RULES

Site rules and all relevant Health & Safety legislation must be complied with.  
All requests from the Event Controller and his staff at Love Your Home must be adhered to.

***Everyone onsite should behave in a safe manner with consideration to their own self and others.***

### **TRAFFIC**

A speed limit of 10 MPH will be in operation at all times. No exhibitor vehicles, with the exception of display vehicles, are allowed inside

### **PARKING**

No vehicles should block fire exits - even for offloading. Cars and vans should park at least 5m away from any exit points. Once offloaded, all vehicles must move to the car park

### **PPE**

Safety shoes/boots should be worn during build-up and breakdown. Other PPE is to be worn as required.

### **WORK AT HEIGHT**

Wherever possible, work at height is to be avoided. Otherwise, it should be carried out from a safe work platform. The use of ladders is not encouraged and must be risk assessed. Tower scaffolds must be erected by competent personnel.

### **LATE WORKING**

Working times are 8.30am – 8pm on normal build-up days. Any times outside of this must be approved in advance with the organisers

### **WASTE**

Work areas must be kept tidy and stands must be safely dismantled and removed after the show. Materials held onsite must be restricted to what is essential. Aisles are to be kept clear as much as possible.

### **POWER TOOLS**

Tools are to be used with due consideration of risks to you, any staff and others in the area.

### **CHARGING**

There is a charging area for power tools at the organisers office which is to be used if there is no power on your stand – no leads should run across the aisles

### **CUTTING**

There will be a cutting area available which must be used to avoid damage to venue carpet and stop sparks and debris. Ear defenders and goggles to be worn as appropriate.

HOT WORKS ARE NOT PERMITTED.
